## FESTINA CONNECTED FULL D

---

AN INTELLIGENT WATCH THAT ADAPTS TO YOU

---

*Festina introduces the Festina Connected Full D within its Connected collection at Inhorgenta, the leading international trade fair for watches and jewelry in Munich. This new hybrid timepiece embodies a refined balance of freedom, control, and elegance, offering a contemporary interpretation of connected watchmaking for the digital age.*

---

## THE FREEDOM OF CONNECTION

---

With the launch of the **Festina Connected Full D**, Festina expands its Connected Watches portfolio with a hybrid model developed for those who seek uncompromising quality. **Powered by proprietary FESTINA TECHNOLOGY** developed in Malmö, Sweden, the watch redefines smart connectivity by putting control in the hands of the wearer. Users decide when and how to connect, while the timepiece preserves the elegance, precision, and heritage of traditional watchmaking.

---

## TAILORED DESIGN, A DISTINCTIVE USER EXPERIENCE

---

Designed for a discerning audience, the **Connected Full D** combines premium craftsmanship, sophisticated design, intelligent features, and complete personalization. Its fully customizable display and interchangeable dials allow users to manage the information shown with precision, reducing unnecessary distractions and delivering a focused, intuitive, and purposeful user experience.

---

## WELL-BEING ON YOUR WRIST

---

Designed to support everyday balance, the **Connected Full D** integrates essential health and activity-tracking functions displayed through intuitive visual rings. This clear and discreet interface allows users to monitor their well-being effortlessly, without disrupting the classic aesthetics of a traditional watch. With a battery life of up to **10 days**, water resistance to **5 ATM**, and luminous hands and indices, the watch delivers **comfort, reliability, and optimal legibility** in all conditions.

---

## EXCEPTIONAL MATERIALS, DESIGNED TO LAST

---

The **Connected Full D** stands apart through the quality and durability of its premium materials. Featuring a lightweight titanium case and an ultra-resistant sapphire crystal with exceptional clarity, the watch is built to endure everyday use without compromising elegance. Its proprietary in-house technology enables future updates while maintaining optimal performance, reflecting **Festina's** commitment to long-lasting, refined connected watchmaking.

---

## TECHNOLOGY THAT ADAPTS TO YOUR LIFE

---

With this launch, **Festina** reaffirms its vision of connected watchmaking in which **technology adapts to the wearer—not the other way around**. The **Connected Full D** does not impose a digital rhythm; instead, it empowers users with the freedom to choose how and when they engage with the connected world, striking a thoughtful **balance between innovation and independence**.

## ABOUT FESTINA

---

Founded in 1902 in the heart of the Swiss watchmaking region, Festina has built a legacy rooted in excellence and precision. Over more than a century, the brand has established itself as a reference in the watch industry through continuous innovation and the integration of new technologies.

Today, Festina is the flagship brand of a vertically integrated watch group that controls every stage of the manufacturing process. Each timepiece combines tradition and innovation, delivering high manufacturing standards across all market segments.

Festina designs versatile watches with distinctive aesthetics, created to accompany their wearers in both formal and everyday settings—reaffirming the brand's enduring commitment to quality, performance, and timeless design.
