

New Festina Skeleton automatic timepieces: **when technology compliments luxury**

Festina Skeleton, the surprising collection of **automatic watches** that expresses perfectly the elegance and savoir-faire of Festina, offers a selection of 8 new skeleton timepieces designed for men and offered in various executions. Dedicated to those who appreciate the finer details of watchmaking, Festina Skeleton is a stunning collection of bold statement pieces with a unique design, technological innovation and subtle colour tones.

Destined to become a style icon, the Skeleton timepieces are exceptional from every point of view: essential lines and refined mechanisms define this new collection that stands out for its attention to detail starting from the bespoke **sapphire glass highlighting the dial and the caseback** allowing a perfect appreciation of the heartbeat-like **automatic movement**.

A very versatile and charismatic collection made up of 4 executions (F20535/1/2/3/4) in silver-toned steel with silver, gold, blue and green-coloured indexes that are offset by a mesh bracelet strap and 4 models (F20621/1/2/3/4) with a stylish nylon strap in black, gold, blue and green that contrast with the indexes of the same shade.
